

What IF

We're Team 'What If', led by Shashwat Sawhney, Harnoor Singh, Anu Nepal, Jonty Sharma and Hamza Lokhandwala. Presenting 'DRIVE MATE', the one stop solution to all the moving and shifting needs; specially designed keeping students in mind.

College and University students come across a situation when they're required to move houses or dorms at least once through their program. Being international students on a foreign land only makes it more difficult to find the right kind of help. Having experienced this problem firsthand, and realizing the great influx of students every year, we saw a great potential for a service provider to fill in this gap.

Drive Mate is a first of its kind online platform providing Rental Drivers who are ready to offer moving services to such students. User simply makes an account on the platform and gets access to a catalogue of drivers offering their services with options like trucks/cars clubbed along with the rentals. This takes the stress of moving off of the students, using our reliable and reasonable service offering. Our Motto: "No License; No Problem".
